

A hand-drawn diagram of a mobile app interface, enclosed in a rounded rectangle. The interface includes several UI elements and annotations:

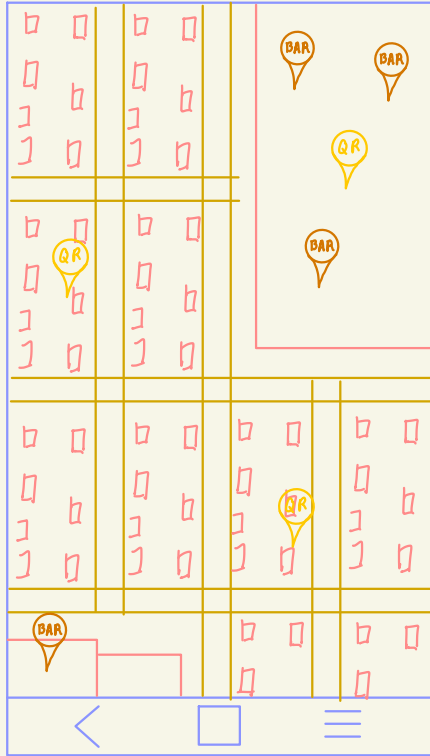

- Top Bar:** A yellow checkmark icon is positioned at the top center.
- Top Right:** A small square icon with a question mark is located in the top right corner.
- Top Center:** A text box contains the handwritten text "swipe to open map".
- Center Right:** A text box contains the handwritten text "swipe to open score board".
- Bottom Left:** A small square icon with a question mark is located in the bottom left corner.
- Bottom Center:** A text box contains the handwritten text "swipe to .....".
- Bottom Center:** A large black circle is positioned in the bottom center.
- Bottom Right:** A text box contains the handwritten text "press to take photo of barcode/qr code if auto scan don't respond".
- Bottom Bar:** A yellow arrow icon is positioned at the bottom center.
- Bottom Bar:** A text box contains the handwritten text "swipe to open.....".
- Navigation Bar:** At the very bottom, there are three icons: a blue back arrow, a blue square, and a blue hamburger menu icon.

audio soon will  
outline the gr code  
bar code (maybe...)

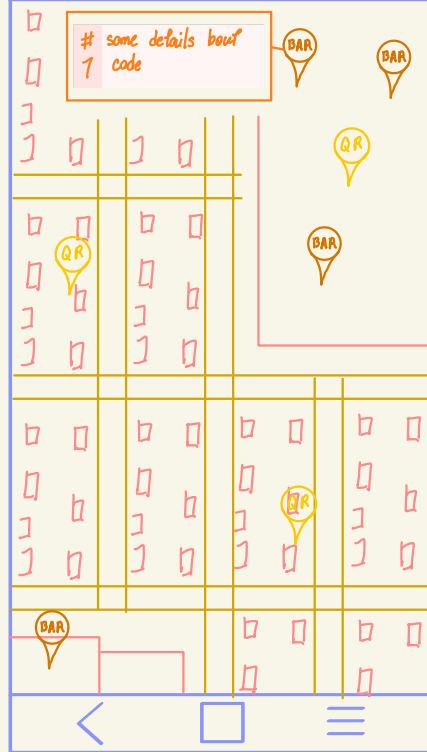

A hand-drawn diagram of a room layout. At the top left, there is a stick figure of a person sitting at a small table. To the right of the person is a larger rectangular table. In the bottom right corner, there is a small cat icon sitting on a rectangular rug. The room is bounded by lines representing walls, with an open doorway at the bottom center.

rank board

The diagram illustrates two user interface screens for an application:

- Left Screen (Form View):** Contains input fields for "QR #/name:", "QR val:", "User:", and "location:". Below these is a large box labeled "code image". At the bottom are "edit" and "delete" buttons.
- Right Screen (List View):** Features a title bar "friends rank" and three tabs: "QR code" (selected), "something else?", and another unlabeled tab. A green Android robot icon is next to the tabs. Below the tabs is a table titled "QR code":
 

QR #/name	score	something else
QR # 7		

 Below the table is a search bar labeled "Search Bar".

Annotations include:

- A note above the left screen: "after clicking will pop up a edit/preview window" with an arrow pointing from the right screen's table area towards the left screen.
- An annotation below the left screen: "admin only or all owner can choose to delete?" with an arrow pointing to the "delete" button.
